Instructional materials decisions are inherently local in Texas

f Districts have local discretion when selecting instructional materials (Texas Education Code 31.0211)

f The State Board of Education reviews materials, including OER, and makes the decision as to what is a high-quality material available to schools (31.022)

f Parents have a right to review all instructional materials (31.023)

What to Expect in December 2024

- List of instructional materials reviewed as part of the IMRA process
- IMRA results and agency recommendations
- SBOE determination on reviewed materials
- Technology required to use the materials
- Pricing for these materials
- Other relevant information to assist in materials selection
