1. Log on to [TEAL Accountability Application](#)
2. Launch ACCT – Accountability

For each student, the listing shows

- the student's date of birth,
- the student's local ID
- the student's social security number, and

	Field	Explanation
	>=50.0% Remote in SY 2020-21	Indicates whether the student received at least 50% remote instruction in SY 2020-21
	Enrolled Grade in SY 2020-21	Indicates the student's enrolled grade level during the 2020-21 school year
	STAAR Math	Indicates the performance level achieved on the STAAR math
	STAAR Reading	Indicates the performance level achieved on the STAAR Reading/ELA

This listing is intended to help LEAs determine funding eligibility for students who may participate in a local remote learning program under SB 15. The responsibility for making the final determination on a student's eligibility for funding lies with the LEA.

How to Determine Student Eligibility using the Student Listing

1. Start by checking column **"Remote Eligible SY 2021-22"** in the student listing document
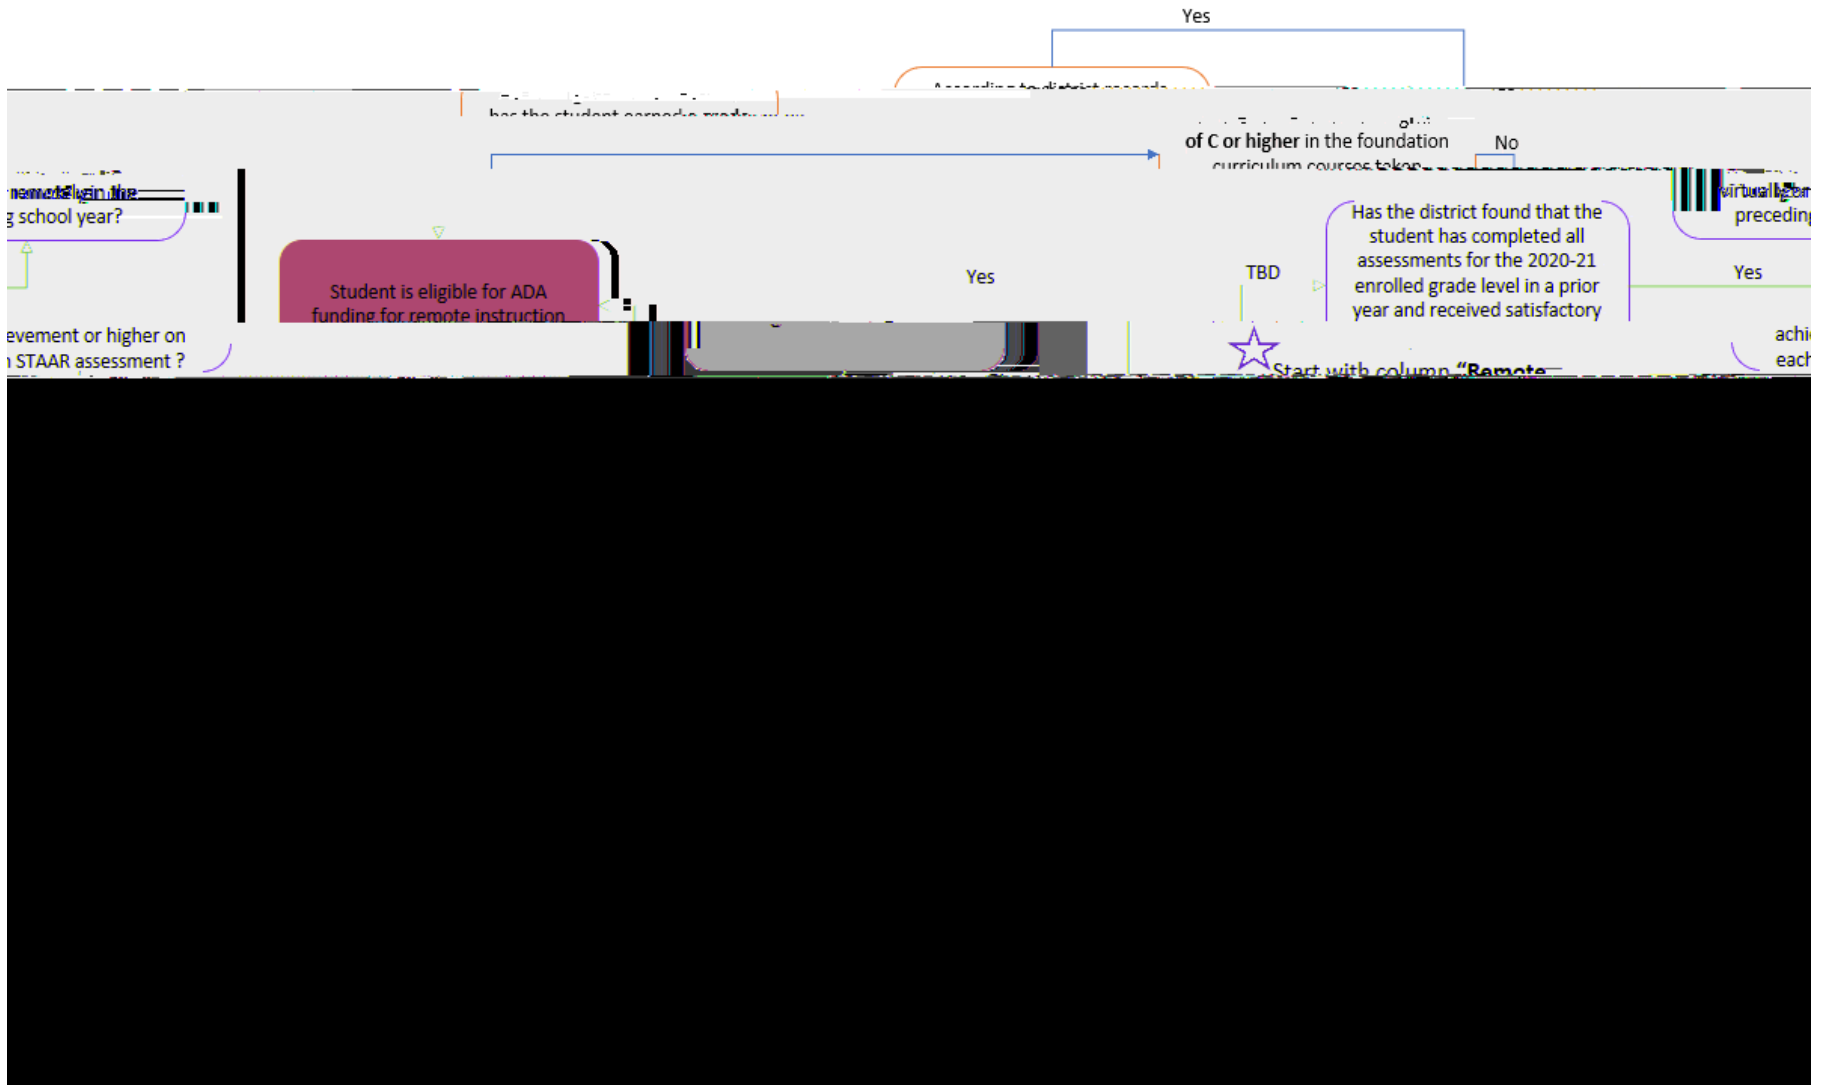

If "yes," please continue **#2.** If "no," the student is not eligible for ADA funding for remote instruction.

Last Name	First Name	>=50.0% Remote SY 2020-

If "needs BOY," a STAAR assessment was not administered, but the student was in a grade/subject for which STAAR should have been administered. A different assessment can be administered that shows grade level proficiency in TEKS (e.g., the STAAR BOY assessment).
