

ADSY: Summer Learning

Closing Student Learning Gaps with Summer Programming

Additional Days School Year (ADSY)

ADSY Sample Financial Impact Scenario

An elementary campus could utilize additional funding similar to the scenario below.

Per Student Funding
for 30 additional days
at ~\$25 per half day*

\$750

Classroom Level
Funding

\$10,680

Subset of funds could
be teacher pay increases
\$5,340

School Level
Funding

\$374,000

Teacher Salaries \$187K
School Operations \$187K

*Example based on state average ADA funding for half day; LEAs should use local funding inputs when making any funding projections and decisions.

ADSY 2022-2023 PEIMS data shows increased use

\$ \$26.4 million funded statewide (*from 2021-2022*)

91 LEAs accessed funding (*from 2021-2022*)

388 campuses accessed funding (*increase from 2021-2022*)

22.6 average days provided (*from 2021-2022*)

24.6 average days provided through ADSY Planning and Execution Program LEAs vs. 18.2 for non-ADSY PEP LEAs

ADSY Design Considerations

Option 1: Voluntary Summer Learning

Purpose:

Think:

Option 2: Intersessional Calendar

Purpose:

Think:

Option 3: Full Year Redesign

Think:

Implementing High Quality Summer Programs is Effective

A study from the Rand Corporation found that summer programs with specific quality parameters eliminate summer slide.

Study Parameters

-  No cost program for 5-6 weeks
-  Class sizes of 1:15 or smaller
-  Certified teachers focused on at least 3 hours of academics each day
-  Daily high-quality enrichment activities
-  Meals and transportation provided

Impact

- 15%** of typical annual gains in math after 1 summer of high attendance (20 days+)
- 20-25%** of typical annual gains in mathematics and language arts after two summers of high attendance (20+ days)

*Participant in ADSY Planning in
Execution Program since 2021-2022*

Longview ISD Summer Academy Outcomes

27% average growth in RLA pre- to post-assessment (curriculum-embedded)

10.5% average growth in Math pre- to post-assessment (curriculum-embedded)

Resources for Summer Learning

Summer Learning Framework

TEA's Summer Learning Framework provides a suite of research-aligned planning documents, templates, and district examples as well as a template [parent-teacher summer learning tool](#) for educators to use.

Visit tea.Texas.gov/summer.

Three ESCs are currently being trained on the ADSY PEP process and can support LEAs with individual and learning community assistance.
